

Service and readiness for delivery guaranteed

Due to the current situation regarding the coronavirus (COVID-19), we have taken important precautions to protect the health of our customers, employees, suppliers and partners. These are based on the guidelines of the Swiss Confederation.

The action plan of Gilgen Door Systems concerns consistent compliance with the hygiene guidelines for maintaining operational activities and customer service. In order to guarantee reliability in deliveries and in responding to enquiries, we continue to carry out all important functions. Our 24h service hotline +41 848 80 44 90 is also available for you every day.

We are in close contact with our suppliers - availability is guaranteed. Therefore we can guarantee our customers and partners the usual delivery times until further notice.

We are aware of the great responsibility in the current situation, analyse the situation daily and follow the recommendations of the Confederation. Thank you very much for your understanding and the trust you place in us.
